Dear Members,

Sub: **Increase in Membership**

Greetings from Bombay Management Association!

Ever since I took office as President BMA in early June, it has been my earnest and sincere desire that the membership base of BMA increases fourfold and that we induct more young managers who will take BMA forward in the year ahead.

While my Office Bearers, Executive Committee Members, Past Presidents, Chairmen of various BMA Committees and the Secretariat are doing their best to induct new members, I would like to appeal to the members of BMA that each one brings one. This in itself will double the membership. We certainly want that each one brings many more but for a start if each one brings one, I am sure the journey of increasing the base of our membership would have begun.

Details of the categories and types of membership is displayed on our website www.bma-india.com
You can even download the form for use.

Let us all put our hands to this task and make it happen. I am sure we will achieve our goal.

You are welcome to write to me on issues, concerns that you have and we will do our best to respond to you.

With warm regards.

Yours in service.
